Dear Dr. Pinkel:

I regret to tell you that your manuscript "Drug Dosage and Remission Duration in Childhood Lymphocytic Leukemia" is not acceptable for publication in the Journal of Pediatrics. I am enclosing selected comments from the reviewers in the hope that these will be helpful to you.

I am sorry for the somewhat longer delay in arriving at a decision regarding this manuscript, and as usual hope you will continue to consider the Journal of Pediatrics for your publications.

All best personal wishes.

Very sincerely,

Arthur E. McElfresh, M.D.
